AMX^{EVO}35

Shelving elements for shopfittings

AMX35^{evo}

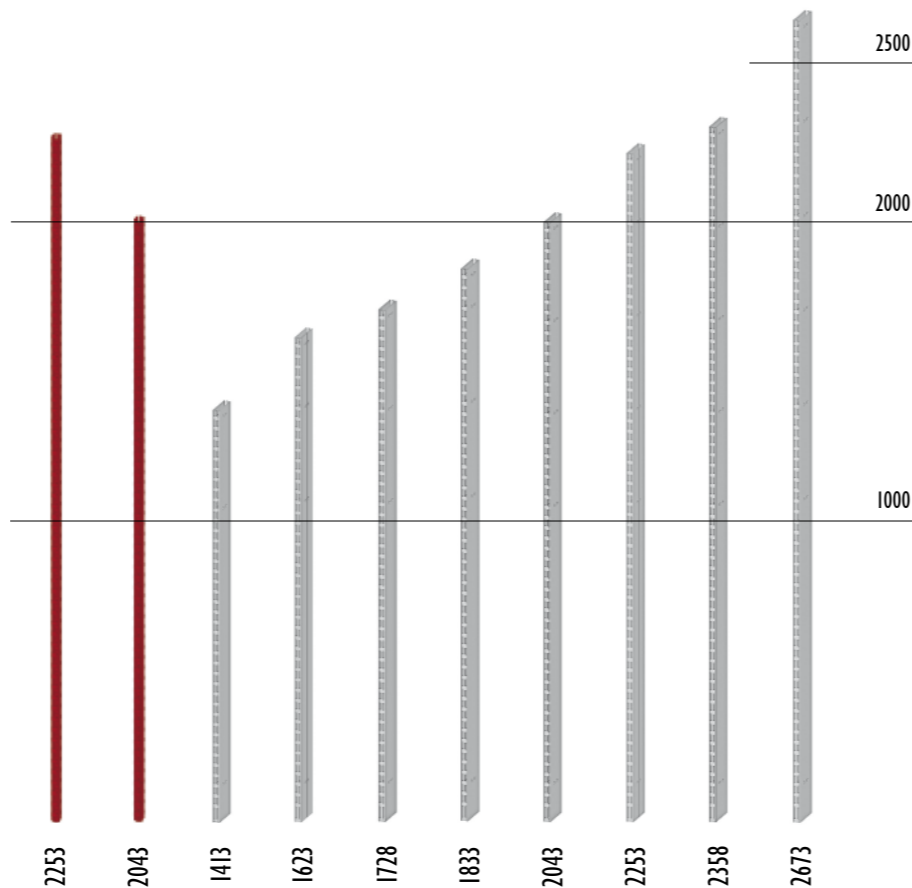

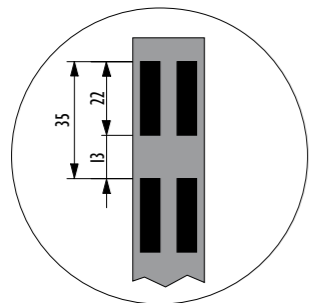

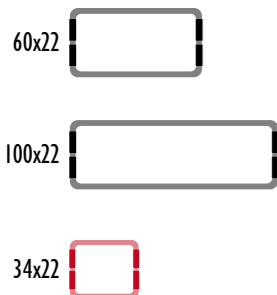

...THE "HISTORY" OF SHELVING REPROPOSES ITSELF AND EVOLVES

In its new configuration, **AMX35evo** confirms its up-to-dateness with its new fittings, accessories and finishings, at an extremely competitive price.

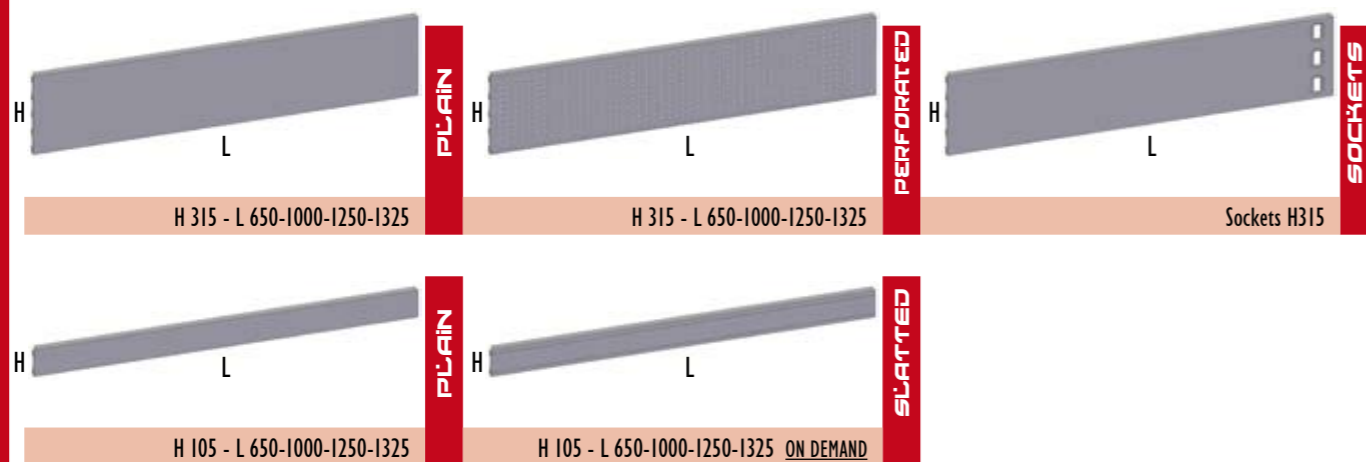

AMX35evo synthesizes all the best features required of a shelving which is now pleasant to look at and has high quality finishings and performances.

The updated **AMX35evo** is consistent with the most recent standards of environmental preservation and with the safety rules of the Italian Steel Manufacturers Association (ACAI).
