Avon: Slim
Maxi

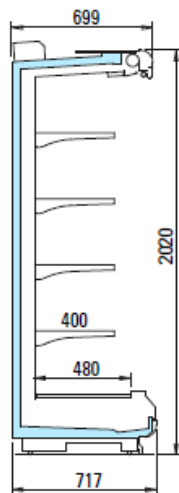

A highly functional refrigerated wall unit, the Avon is ideal for displaying products effectively whilst maximising space.

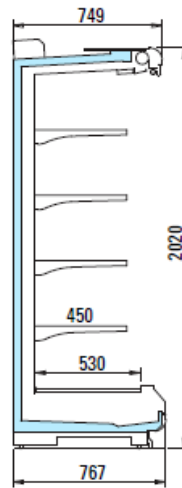

The Avon is our most cost efficient units, with a low initial cost and low energy consumption. This means it is more environmentally friendly, as well as saving you money on energy bills.

Avon is available in 2 versions:

Slim (700mm deep)

Maxi (750mm deep)

Avon		Comp. sem laterais	Código	Temp. de funcionamento	Superfície de Exposição frontal	Superfície de Exposição horizontal	Capacidade útil	Peso
